Fa is a seasoned Certified Public Accountant with over two decades of extensive experience in taxes and accounting. Fa founded Easton to focus on tax filings, compliance, and advisory for US and international entrepreneurs and executives in biotech, pharmaceutical, technologies, real estate and financial sectors. Easton's tax services include:

- *Individual, partnership and corporate income taxes*
- *Trust and gift taxes*
- *Cross-border and international tax compliance*
- *IRS offshore Streamlined Procedures and compliance programs*
- *Reporting of foreign bank and financial accounts FBAR*
- *IRS or other government tax letters and responses*
- *Real estate investment*
- *New business registration*

In addition, Fa advises clients on tax planning in areas such as Controlled Foreign Corporations (CFCs), Global Intangible Low-Taxed Income (GILTI), stock options, Qualified Small Business Stock Capital Gains (QSBS), charities, donations, inheritance and various investments.

2005-2022**Baker Tilly, LLP**

Employed by Baker Tilly and one of its predecessor companies ParenteBeard. Baker was ranked as one of the Top 10 largest accounting services firms with an annual revenue of \$3B+. Fa rose from a senior accountant to senior tax manager.

At Baker Fa developed specialization in personal taxes for high-net-worth individuals and family offices. Fa was the lead CPA for several billion-dollar families for over a decade. The single largest personal tax filing Fa had managed at Baker exceeded 30,000 pages in volume.

Fa led tax services for partnerships, corporations, non-profits, trusts and various other entities owned and/or operated by those high-net-worth individuals and families. Fa became well-versed in multistate filings, federal consolidated returns, hedge funds, foreign income reporting and US resident international tax compliance. Fa also led in audits for stockbrokers and financial services companies.

1998-2000**SuNing Corporation, China**

Fa joined SuNing Corporation in Nanjing, China as a junior accountant. Within a year Fa was promoted to the accounting manager of the Yangzhou subsidiary resultant from his diligence and business acumen. In the second year, Fa was selected by Suning's CFO to lead the expansion of this future Chinese appliance giant in the Beijing region. However, Fa elected to come to the US in 2000. At Suning Fa gained experience in general accounting, retail, wholesale and corporate finance.
